## Things to Remember

- Please be on time. It is more enjoyable for the rest of us when you are here.
- Please silence your phones during all meetings.
- Please refrain from texting during the meeting.
- Please don't use foul language. You might have to kiss your auntie with that mouth.
- Please maintain a positive attitude. "It's a little thing that makes a big difference."
- Be considerate of others trying to sleep. We are not all as pretty as you.
- Trash... do we really have to tell you to pick it up?
- PDA is highly encouraged among married couples. It freaks your kids out.
- PDA is NOT encouraged if you are not married. It freaks your parents out.
- Remember: "the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control."
